PROFILE

I am Douik Taha Abdelkrim, a 22-year-old full-stack developer with over 2 years of experience in mobile and web development, specializing in frontend technologies. I hold a Bachelor's degree in Computer Systems from USDB and am currently pursuing a Master's degree in Computer and Network Systems.

Throughout my career, I have worked on various national and international projects, using technologies such as NextJS, NuxtJS, Laravel, NestJS, and React Native. My focus has been on building scalable, responsive, and user-friendly interfaces across web and mobile platforms.

WORK EXPERIENCE
